## ● REMINDER TO REPORT ALL NJ NEWLY HIRED, REHIRED & RECALLED EMPLOYEES

### NEW JERSEY CHILD SUPPORT EMPLOYER SERVICES

Dear Employer:

Tax season has arrived, and the State of New Jersey would like to take this opportunity to remind employers in the tax industry of their obligation to report all newly hired, rehired, and recalled employees. Newly hired employees must be reported within 20 days of their hire date, whether they are considered full-time, part-time, seasonal, or temporary employees.

Rehired employees are employees who return to work after sixty (60) days or more of being laid off, furloughed, separated, granted a leave without pay, or terminated from employment. Recalled employees include anyone who remains on the payroll during a break in service or a gap in pay and then returns to work. For example, tax specialists, seasonal workers, etc.
