ENGAGEMENT & REQUEST TO PROCESS BUSINESS TAX RETURN EXTENSION

- 1.) Your request to engage JPT Financial Solutions Inc. to prepare and file an income tax extension is a tax service <u>separate and distinct</u> from preparing and filing your final tax return. As such, a <u>separate</u> fee to prepare and file your income tax extension will be charged for this service.
- 2.) We will prepare your requested federal and requested state/local income tax extensions based solely on information that you provide to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information.
- 3.) You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that you have disclosed to us all relevant facts affecting the returns. The accuracy of the information and completeness of the representations reflected in your return is your responsibility.

- 4.) You understand that filing an extension allows additional time to complete and file your tax return to the respective government taxing authorities, but does not allow for an extension in time to pay any tax due to the respective government taxing authorities.
- 5.) Fees & Payment for Extension:
 - (a) Our fees are due by you, the client, within 15 days after completion of all professional services provided to you by this firm. A compounded 1.5% monthly interest late fee will be reflected on all past due accounts over 15 days.
 - (b) You understand that in order for JPT Financial Solutions to satisfy IRS requirements to sign-off on your tax return as a "paid preparer", it is required that clients remit payment to our firm **upon receipt or notification of the completed tax return** and **prior** to the electronic filing of your return.
 - (c) In general, <u>tax return preparation fees</u> are calculated in proportion to the amount of work necessary to complete your return. This includes time spent assembling and reconciling documentation supplied by the client, as well as follow-up discussions with the client (verbal and/or written e-mails) for supplemental data or clarification of information received from the client.
 - (d) Where necessary, our firm will request <u>a retainer deposit payment</u> from you in advance of tax return preparation and/or related services that are of a sizeable nature. Terms of this agreement will be shared with the client in advance as determined by our firm.
 - (e) To complete all professional services provided to you by our firm, we will perform supplemental analysis, consultation and/or advisory services as needed, and we will render any required accounting and/or bookkeeping services as determined to be necessary. All of these services will be itemized and included in our invoices for services.
