GIFT TAX RETURN ENGAGEMENT CONTRACT

PLEASE SIGN, DATE AND RETURN TO OUR OFFICE

- 1.) You agree to engage JPT Financial Solutions Inc. to provide you with nonattest gift tax preparation services, along with the preparation of any other tax returns and amendments, as well as any consulting & advisory and/or general accounting services as needed to complete the gift tax return.
- 2.) We will prepare your gift tax return solely on information that you provide to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. You should retain all the documents, cancelled checks and other data that form the basis of the gift tax return we prepare. These may be necessary to prove the accuracy and completeness of tax returns to a taxing authority.
- 3.) You agree to assume all management responsibilities for all nonattest services we provide; oversee the services, evaluate the adequacy and results of the services; and accept responsibility for them.
- 4.) You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that you have disclosed to us all relevant facts affecting the returns. The accuracy of the information and completeness of the representations reflected in your return is your responsibility. You confirm that all items included in your return are correct and complete, and that all gifts have been disclosed and information claimed is supported by receipts.
- 5.) You have the final responsibility for the gift tax returns that we prepare and, therefore, you should review them carefully before you sign them.
- 6.) Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will, of course, inform you of any material errors, fraud, or other illegal acts we discover. In addition, we will advise on recommended changes to improve internal accounting controls as identified. Regarding tax preparation, should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.
- 7.) Although we may rely in good faith on the information that you provide to us, as tax practitioners we are not permitted by the IRS to ignore the implications of the information furnished to us or actually known by us. Although our work in connection with the preparation of your gift tax returns does not directly include any procedures designed to discover defalcations or other irregularities, we are required by the IRS to make reasonable inquiries if the information that is provided to us appears to be incorrect, inconsistent with an important fact or another factual assumption, or incomplete. Additional disclosures may be required from the client to substantiate any tax data presented if deemed necessary.
- 8.) Should your returns be selected for examination, or other inquiry is made of your returns by the Internal Revenue Service or any other tax authority, we will be pleased to represent you before these authorities and prepare any refund claims or protests that may be necessary to obtain a final determination of your income tax liability. You will receive additional invoices for these services.
- 9.) We will return your original records to you at the end of this engagement. You should securely store these records, along with all supporting documents, canceled checks, etc., as these items may later be needed to prove accuracy and completeness of a report, schedule or tax return that is prepared.

- 13.) Our professional service fees for tax return preparation are calculated in proportion to the amount of work necessary to complete your return. This includes time spent assembling and reconciling documentation supplied by the client, as well as follow-up discussions with the client (verbal and/or written e-mails) for supplemental data or clarification of information received from the client.
