

2019 HEALTH INSURANCE COVERAGE

ALL CLIENTS & THEIR DEPENDENTS WHO LIVE IN NEW JERSEY, MASSACHUSETTS, VERMONT OR DC MUST PROVIDE PROOF OF HEALTH INSURANCE COVERAGE FOR INCOME TAX PREPARATION.

- 1.) Effective 2019, the IRS no longer has a mandate for individuals to carry health insurance. As such, the “Shared Responsibility Payment” no longer applies for your federal return and you don’t need an exemption in order to avoid the penalty.

However, if you have received forms 1095-A, 1095-B and/or 1095-C, please include these forms with your documents for income tax preparation. They are also needed for the reconciliation of any Premium Tax Credit received on your federal return.

- 2.) The following states, however, DO have a health insurance mandate, thus requiring residents to maintain health insurance unless you qualify for an exemption:

New Jersey
Massachusetts
Vermont
DC

For these states, please read the following statements carefully. More than one might apply to your “tax family” –

- a. If you had healthcare coverage with a government Marketplace (Exchange) during 2019, please provide form 1095-A, issued by the Marketplace. In some family situations you may have more than one 1095-A.
- b. If you are claiming someone on your return who was included on another taxpayer’s policy with a Marketplace, you will also need a copy of that taxpayer’s 1095-A.
- c. If your dependent filed a 2019 income tax return with another tax practitioner, please provide a copy of the tax return that was filed.
- d. If you had compliant health insurance through an employer plan, private policy or with a government plan, provide form 1095-B, 1095-C, or other proof of insurance document. This includes a copy of your medical insurance card.
- e. If you were issued a hardship exemption by the Marketplace (Exchange), provide all applicable exemption certificate numbers issued for each member of your family.

- f. Complete the following information for every individual included in your “tax family” (including yourself) who did NOT have health insurance coverage for all 12 months in 2019 –

(1) Name of person who did NOT have insurance coverage:

(2) Circle the month(s) where health insurance coverage was NOT provided:
