Introduction

I originally began this writing in 1988 as an ongoing self journal during a turbulent time in my life. Although I was born and raised a Christian, it was not until my early twenties, after experiencing a major crisis, that I found a personal relationship with Jesus Christ. During this period I began a deeper study of the Word of God, the Bible, and learned how to be free from emotional burdens and bondages. I began to understand what it is to have “true peace in the midst of the storm.”

As I grew deeper and closer to the truth of God’s Word, I also came to understand the battle of spiritual warfare that exists in each of us as we strive to build our personal relationship with Christ. The devil, Satan, tries to pull us away from our relationship to Christ by introducing lies, fear and confusion into our way of thinking. His goal is to keep us away from knowing the truth, and will use any weapon in his war chest to keep us in the emotional chains that previously bound us.

While struggling through this battle, I came to understand the attributes of third person of the Godhead, the Holy Spirit, as a vital part of my life. I learned that the Holy Spirit speaks to us on a daily basis to confirm and reveal the Word of Truth. He continually provides direction and guidance to strengthen and encourage us as we live out our time in this life. The Holy Spirit has taught me that my real purpose in this life is to bear witness to God in all that I say and do, thereby giving glory to God, the Creator of everything.

My purpose of this writing is to document the inner self communication process with God as a witness to demonstrate by example the truth that the Holy Spirit does indeed speak to us on a regular basis. The pages that follow reflect direction and instruction that I’ve received from the Holy Spirit, as well as my reaction to different struggles I was encountering during this growth period of my life. May God bless you and may the Holy Spirit bear witness to your spirit as you read through this journal...

Conversations with the Holy Spirit

- ✠ There is a certain trade-off between analysis and understanding the true potential that you have. Understand analysis for exactly what it is. It's a scientific way to measure and obtain understanding. Don't depend on it solely. Don't be afraid to walk.
- ✠ Yes, I want you to understand where you are, but don't let it interfere with your faith.
- ✠ Go for it!
- ✠ Don't let analysis be your guide to happiness. There are other factors, and one of them includes your faith in God as the overall force beyond all human reason.
- ✠ With God, all things are possible. Do not forget to introduce the spiritual aspect when making decisions.
- ✠ Do not forget that you were created for My purpose. You have a role to serve in My ministry, and this is the key to your life. You were created to serve at the pleasure of the Lord. All of your needs will be met.
- ✠ Analysis gives the human side to understanding, and it in no way measures faith.
- ✠ You will never have enough money to always tithe, however you should do it in order to prove to yourself that I am the Father.
- ✠ I have chosen you to do wonders in the scope of your mind. I understood a long time ago that I was going to be the most important person in your life, and that I would be the one who would do wonders.
- ✠ This is the problem you've been having. You've been concentrating too much on world aspects and not enough on what I have given you to grow and understand.
- ✠ Run to Me, for I have conquered the one who is troubling you.
- ✠ I created you with the potential to be ruler of the universe.
- ✠ I do not want you to stumble along the way, but want you to speak your mind and bring Me into the world. And how do you do this? Well, it first takes the voice I've given you and understanding the people around you.
- ✠ I've given you the building blocks of the higher education. Feed the people, and let them see that you have the power of the Lord.
- ✠ I can see that you need further knowledge. Fine. Study the word, and absorb My principles into your speech.

- ✝ You've been blessed, and will continue to be blessed as you search for My inner meaning. Seek Me, and forget about the rest.
- ✝ Scientific proof only goes so far. This is why people don't understand My message. It's so easy and simple, it's unbelievable.
- ✝ Man's knowledge has its place, yet it has its limitations.
- ✝ Rise up on the power that cannot be compressed into a textbook.
- ✝ People are missing it because they're becoming too scientific. This is what's wrong with the business world. There's nothing wrong with making money and having a business that is successful, however people are missing it when they don't begin with My teachings as the base. My Word is fundamental!
- ✝ My Word is the answer to so much discouragement and unhappiness in this world.
- ✝ I am letting you experience the way you feel, Joseph, because I want you to understand that I am right.
- ✝ I know that you want more for your life, and there is nothing wrong with that.
- ✝ Don't always look to statistics. Don't have faith only in your apparent abilities and don't discount yourself regarding some disabilities that you think you have. I can outweigh all statistics.
- ✝ Statistics are just numbers which measure moments in history. Yet if we solely believe that history will repeat itself, then we discount the power and abilities of the heavenly Father.
- ✝ I am the bread of your life, and I expect you to do well with Me as your source.
- ✝ I will not leave you. I believe in you, and will show you what miracles will open up for you.
- ✝ I understand that you are concerned with the way you feel right now. I hear you and understand. Keep Me as the center of what you want, and do not make the things you want as the center.
- ✝ Your primary focus should be the Lord and the good that you can do for people.
- ✝ Feed the birds.
- ✝ I've given you the voice to rule the world.
- ✝ Learn. Understand. Grow.
- ✝ Put Me before you, and reach toward Me.

- ✝ The Sprit has abilities far beyond the human mind, if we only trust it.
- ✝ God did not create us to leave us. That would be cynicism, and that's not characteristic of our God.
- ✝ He believes in us and gives us opportunities to grow in His Word, for it is the Word that frees all men from their sin, and allows them to reach their true potential.
- ✝ Why do many of us run away from the gifts that God has given us? Well, for one thing, many of us don't believe that God really loves us. For if we did, then how could we doubt His glory within us?
- ✝ Why are you afraid to live and take chances for My glory?
- ✝ I'm now an active part within you, and have led you to the source of righteousness.
- ✝ For I remember where you were, Joseph. I know that you were always running from one source to another, never really understanding what I had in store for you.
- ✝ Now is only the beginning, for you and I will make music of glory together.
- ✝ I ask for your complete trust. I command you to study the Word, and let Me work miracles within you.
- ✝ Yes, I will take care of you, and do not let any conversations you have with other brothers and sisters make you question My firmness in you.
- ✝ I ask you to stay clean, and above all, make Me your inner peace within yourself.
- ✝ Run from sin, flee it, and believe that circumstances that you will encounter are for My glory, to make you a stronger Christian.
- ✝ For I hear you, and know what you need. You need the power that I can give you. A woman beside you will only provide a certain amount of comfort.
- ✝ Go for it, and believe in yourself that you have the power within you to win the world.
- ✝ The power is right in front of you. With Me, there is nothing impossible.
- ✝ I created the world, all that is and all that you could be concerned with. What is any problem for Me to handle?
- ✝ You should always be concerned with what I want you to be. This does not mean to stop your life, and start asking Me every five seconds what I want you to do. No. Instead, stop each day, look over what you have done that day, and ask Me how to improve yourself.
- ✝ This does not necessarily imply that you did anything wrong that day. But you always have the capacity to learn more, both about life and about others.

- ✝ When you feel that you have learned everything, you are wrong. No person is capable of making that statement, for how can one judge what is to be learned if one has no idea of everything that can be learned.
- ✝ Choose to love others, as a measure of your praise to the Father.
- ✝ Love and humility before others does not imply loss of self worth.
- ✝ Do not lose perspective of your place before My throne.
- ✝ You are to speak for what you believe in, for you have My teachings within you.
- ✝ I give you all that you need. I bring you the resources, the talents and the energies to achieve My purpose through you.
- ✝ Strength is when you begin to dare, when you begin to dare righteousness. You have nothing to be ashamed of. I will not let you fall.
- ✝ If you stumble along the way, that is My way of teaching you.
- ✝ Being a man is not using force, and it is not screaming to win an argument.
- ✝ So we know something. Big deal! Many times a person gets a good feeling by showing another person how much he or she knows, rather than making it their business to learn what the other person knows. Where this gets you is at the gates of My kingdom, without the keys.
- ✝ Believe in the gifts that I have given you.
- ✝ You have purpose in this life.
- ✝ Remember, just as I ask you to love and respect others, I expect them to love and respect you in return.
- ✝ Don't get angry when people don't accept you.
- ✝ Keep Me as an active member of your life, and make My kingdom the yardstick of your goals. Learn from Me. There's a message from Me each day.
- ✝ Establish many goals in your life, with righteousness and the kingdom of heaven a part of each goal.
- ✝ Remove the thoughts of nonsense from your mind.
- ✝ Trust in God for the things you do not see, for you have no reason to trust for things that are visible.

- ✝ Don't shy from your problems, and don't run from them. Learn to cope, and you'll learn to conquer.
- ✝ Your healing process begins when you put your life in My hands.
- ✝ Believe that you are healed. Healing is not always an instantaneous miracle. It's a working miracle.
- ✝ Do not allow nervousness to be your cross.
- ✝ Live in Christ, and live away from your problems. Don't assume you can't. Believe you can, and pray.
- ✝ The strength is right in front of you. Claim it.
- ✝ Make the most of your life.
- ✝ Be humble.
- ✝ Know that all your abilities are from the Father, and give thanks to Him for the blessings he has bestowed on you.
- ✝ Live for Me.
- ✝ Clean up your act.
- ✝ Make love the apple of your eye, for love conquers fear.
- ✝ A man and his ability are limitless. Nothing is impossible with Me by your side.
- ✝ We always grow, and must be willing to change.
- ✝ Our life does not end until we close our eyes for the last time. There is only time now to live for Christ.
- ✝ Look to your own strengths and develop them. Your strengths will overcome your weaknesses.
- ✝ Give others the chance to be an example of their blessings, and praise God with them for the blessings that He has given them. See them through their problems.
- ✝ Give others the happiness to love you, and help you. Listen to others, and give them a chance to speak.
- ✝ Do not let any one feeling become a god. You should always be concerned about what I want you to be.
- ✝ Learn that people want to love you, as much as you want to help them.

- ✠ Look away from your fears, for when you concentrate on them, they will never go away.
- ✠ Rise above your fear.
- ✠ Do not ever lower your standards in order to succeed. Build on them.
- ✠ Do what is right. I am looking.
- ✠ Come hold My hand. Let's walk together.
- ✠ I've been the key to your freedom for a long time, but you've never looked to Me.
- ✠ Following Me will be the answer to your problems, if you only listen.
- ✠ I can help you, if you only let Me.
- ✠ There are many ways to become a whole person, but all must be done through Me.
- ✠ Make Me your total source. Release unto Me, and I will free you.
- ✠ Give way to the Lord and His righteousness.
- ✠ Hold My hand, and together we'll make it.
- ✠ There is nothing more certain than I.
- ✠ Don't always try to understand what your service is to Me. It's more than your conscious aid to people. You have really no idea how many lives your presence touches. Make yourself accessible to everyone. This is called love.
- ✠ The world is around you, Joseph, and the wonders that you see with your heart are all around you.
- ✠ I am proud of you, Joseph, because you are looking to Me as the source of all your direction.
- ✠ You are not afraid to speak your mind when you see what is right, and you are not afraid to run away when I tell you to run.
- ✠ You should not concern yourself with them, because they cannot touch you.
- ✠ All that I have ordained for you is within your grasp if you only walk in the way that I have shown you.
- ✠ I have lightened your path.

- ✠ The light is shining on the borders of the path you are on so that you can see what is around you. It gives you a perspective and shows you your limitations and My ability to comfort you in the middle of your distresses.
- ✠ Most people walk and do not see the boundaries. You on the other hand see the boundaries because I have shown you the apple of your eye.
- ✠ Write an overture to My existence.
- ✠ Show people what you are, and in this they will see Me.
- ✠ Give it to the Lord.
- ✠ Release what's on your mind.
- ✠ He will help you see things clearer.
- ✠ Know balance. There is an on-off switch. It's within your reach!
- ✠ Your logic and intelligence are part of your tool bag, like the hammer and plane are tools of the carpenter. The carpenter is not the tool, but uses his tools to get the job done. Likewise, what you have are tools to be used when needed, but you are much more than the tools you have.
- ✠ Look to your other gifts. You're not one dimensional!
- ✠ God wants to develop you. Remember, construction in progress!
- ✠ Build the other part of you that you have closed off, a bridge to where you should be.
- ✠ Watch your unnatural thinking.
- ✠ Let Me talk to you. Relax, and listen.
- ✠ Look to nature and you'll see Me. Look "away" and you won't.
- ✠ Put My words together like a puzzle for your life. They all fit together.
- ✠ Don't worry if people don't believe you. It is I. Trust.
- ✠ Don't obsess. The only thing you should focus on is My love and devotion to you. You are the apple of My eye, the one who I look for in the morning as you awake, to give you all the love and affection that I can give you, for I've created you.
- ✠ Follow the way I have taught.
- ✠ Recognize My purity.

- ✝ Don't question yourself. You can decipher when it is I. Base it on the readings of the Word.
- ✝ Follow the signs of purity and cleanliness, which is righteousness.
- ✝ You must relax and decipher.
- ✝ I have always spoken to you, yet you never listened to Me.
- ✝ Believe that you are healed.
- ✝ I see all that the devil has put on your head, like you will not be healed. You are healed already, Joseph, claim it!
- ✝ Do not be afraid. What he does will not harm you. I am your safety net.
- ✝ I am your peace. Do not be afraid.
- ✝ Don't let worry be your cross. Don't panic.
- ✝ Be at peace, and see the salvation of the Lord.
- ✝ Lord, help me to believe it.
- ✝ I am healed.
- ✝ I am healed.
- ✝ I am healed.
- ✝ Put forth the faith of the Father.
- ✝ I am going to show you what you need to do. Just spend some time with Me and don't worry where it is going.
- ✝ You need this time with Me right now to correct and clean the foundation.
- ✝ Don't worry or be upset with what is happening.
- ✝ I am still here and I am your faithful one who will show you what tomorrow will bring. I am active in you right now.
- ✝ I am always active and the Spirit will show you what you need to do.
- ✝ Don't worry or be dismayed.
- ✝ Give Me your whole life.

- ✝ Remember what I have shown you. It is good, and will make you strong in your coming years.
- ✝ Where can I go that I am not in God's love? He saw me when I was born. Actually He knew me before I was born, for my spirit was created before He put me in the little baby that was conceived in my mother's womb.
- ✝ He knows all about me.
- ✝ Praise Him because He is God. He is the Alpha and the Omega, the bright and morning star; the Rose of Sharon; the reason why everything "is".
- ✝ He is orchestrating a change in me. The focus now is on my health and well-being.
- ✝ I will be ready for the next step, because the Lord is my Father who will feed me. He knows all about me and will give me the strength and direction that I need.
- ✝ What do You want me to do? I have been created to serve You, not to do my own will. How can my life serve You?
- ✝ Let my words not just be beautiful conversation. Let my heart melt. Put Your purpose into my spirit.
- ✝ He knows all about me and will give me the strength and direction that I need.
- ✝ Please open the door and draft me, for I know I will have the strength to do it if you are giving it to me, for you would not do so if you did not believe I could do it.
- ✝ God, please show me the next step.
- ✝ Please continue to bless my life, Father. My health, career, house, car, relationship with friends and family... Bless me with what you see I need in Jesus name, Amen.
- ✝ He is my peace, who has broken down every storm.
- ✝ Cast all your cares on Him, for He cares for you.
- ✝ Blessed are the pure in heart, for they shall see God.
- ✝ Dear Jesus, more than anything else, I want to get to know you intimately. Please make this be my whole heart.
- ✝ What kind of work do you want me to do, Lord? Where do you want me to go? Please give me direction to the job you want me to do, and let me be energetic to do it and be pleased with the road that you are setting before me. Make me bold in it, knowing that it is you that has given me this mandate.

- ✠ He wants you to forgive your father. He wants you to forgive your Mother. He wants you to forgive your older brother too, for if you don't you can't realize the healing that He wants to give you.
- ✠ Don't be concerned what they say to you and how they are judging you. Wasn't I judged? Walk in the truth. And remember that you can be tempted to anger. Temptation is not just associated with sins like lust and other sexual deviations. Temptation is defined as anytime that the devil pulls you away to do things that are not of Me. I will deal with them. Don't try to fight this battle; it's not your battle to fight. I know what you want.
- ✠ Now that I have your attention, I will never let you go.
- ✠ I speak to you in your regular thought pattern.
- ✠ Don't make every task a big burden.
- ✠ Learn from mistakes.
- ✠ Take one step at a time.
- ✠ Build one brick at a time.
- ✠ Do not allow yourself to get into a panic, and thus become a slave to sin.
- ✠ See what miracles I have in store for you, if you only believe!
- ✠ The Truth will gain you freedom and strength. The Truth will set you free.
- ✠ You should be talking to the Lord. Use Me as your source! Ask, and you shall receive!
- ✠ Remember, Jesus did not tell you to look at yourself all the time and analyze.
- ✠ Do NOT worry, Joseph.
- ✠ I am helping you in all you do as you stand clear of sin and follow My Word.
- ✠ You must yield to the Holy Spirit.
- ✠ I am with you.
- ✠ Trust, and obey.
- ✠ Satan is giving you intermediate worry.
- ✠ See Me as the source of all you need.
- ✠ Trust in Me.

- ✠ Don't play doctor. I'm the doctor, you are the patient. Together, we will make it.
- ✠ I hear you.
- ✠ Believe.
- ✠ He gives food for all.
- ✠ I've found that in this world today there are many things to choose from. We look around us and see many roads in front of us. There are many people, many places, and in those places there are ideas and values of other people which attempt to shape and rule us.
- ✠ He has set your clock for this life, and has scheduled all your appointments.
- ✠ He has orchestrated your life.
- ✠ You were created to bring glory to God and to fulfill the purpose of your life for Him.
- ✠ Any person who feels he is weak feels like he is blowing around in the wind, drifting about, with no place to settle. It is this person who needs to know that there is some truth.
- ✠ What is truth, anyway? It is what is real. Jesus is the truth.
- ✠ When you try to act and live according to what every person feels you should, you tend to lose your sense of reality – how you should behave, how you should act, and what you should become.
- ✠ Dream.
- ✠ Imagine.
- ✠ Prosper.
- ✠ Walk on in victory.
- ✠ Forgive.
- ✠ Praise.
- ✠ Console.
- ✠ Following Jesus has given me a focal point in my life. His Word never changes, His way is stable. I know He is always with me, and that makes life possible.
- ✠ I need no one other than Jesus to help me walk.

- ✠ Jesus made all of us with a thirst for security and truth. Many of us, however, satisfy the thirst in other ways.
- ✠ Release what you know. When you release one thought, there is another thought behind it. This is the learning process.
- ✠ Be a new beginning, a maker of men.
- ✠ Strive for perfection at being what the Father wants of you, for I am the one who will bless you with the fruit of the tree.
- ✠ I have chosen you. Now is the time.
- ✠ I've called you aside so that you can hear My voice.
- ✠ Look at the light in the dark. The darkness clouds the brightness of the individual, and shuns the potential. Let your darkness be light. Arise.
- ✠ I am the One Voice in your life.
- ✠ It may take years before you fully understand your true potential, but be still. The time has come for you to be a new beginning.
- ✠ Realize that in the past fear was your burden and sorrow. A new day has now come where you recognize who was the initiator of those fears.
- ✠ The devil came to you as a child, and whispered those thoughts into your mind. The little Joseph just assumed that he understood all that was being spoken to him, but he did not.
- ✠ I was with you at that time and saw that you felt like you were all alone. You were not alone.
- ✠ I've seen your sorrow, and now I see your victory. I see that you harbor fears and angers of the past. It is now time to let those go and walk on the next level. They are holding you back.
- ✠ The devil has given you the false thoughts of your health. You walk around in constant fear and panic, waiting for the terror to show its face. I've cried many times for you Joseph, for I see the burden that you tried to escape.
- ✠ Don't be afraid of anything.
- ✠ Realize your potential as a messenger of the Father. Your love and joy is over abundant, and you are a magnet. People draw to you as a friend.
- ✠ Become a Jesus in this day and age.
- ✠ Great is the reward of the Father, for those who have mercy on others.

- ✝ Water the seed of love in your life.
- ✝ Plant new seeds and let them germinate, for their offspring is one of glory. Pull out the old weeds by the roots, so that they may not multiply.
- ✝ I am forever the same.
- ✝ Understand new beginnings.
- ✝ Awaken new happenings. Be the catalyst that creates joy in living.
- ✝ Strive for perfection, and let none hinder you. For My eyes always guide your path. Remember, you did not let go of My hand.
- ✝ I am your companion each and every day of your life. I lead you to work, I stay with you at your desk, I help you on the phone, ride the bus with you, and bring you home safely, where I sleep with you in bed.
- ✝ I am the great comforter, the one you yearn for. I give comfort, and the fruit of My creation rests in those who abide in My love.
- ✝ I have kept you alone right now, Joseph, so that you can learn of Me and see My love for you.
- ✝ Don't discount a dream. It may not be possible in the current setting, but it is possible. For I have set you on a course to higher ground.
- ✝ I can pull you out. Reach up and grab My hand. I am your friend. I am the Almighty.
- ✝ See beyond the vision that has been given to you. Ask more and more for your eyes to be opened. Ask and be given.
- ✝ I want more that the Father has to offer, and I know he sees me.
- ✝ Your heart is waiting to be exercised.
- ✝ Categorize men into different types, and understand the types that are around you.
- ✝ Don't analyze, let Me change you.
- ✝ Don't look where you are. Proceed on.
- ✝ Don't test Me, just trust Me. It's funny – you can trust everyone else, yet you can never trust your Heavenly Father!
- ✝ Give your life to Christ, and believe in Him.
- ✝ You can always go further than what you believe you can.

- ✝ Stay close to the Father, and follow the teachings of Christ.
- ✝ Love is the secret of the strength that you've been looking for. Love is obeying My Word, which is the truth that sets men free.
- ✝ Ask yourself, what Christ would do in a particular situation. You know what he would do? He'd ask His Heavenly Father for the way to go. If it was good enough for Christ when He was on earth, it is certainly good enough for you.
- ✝ Pray your way through life. It is the only way to make it.
- ✝ If anyone thinks he can make it without Me, he's in for a big surprise.
- ✝ Follow Christ. He'll never let you down.
- ✝ People who you used to base your life on have been those who have based their lives on false happiness.
- ✝ You many think they are happy, but many of them are miserable.
- ✝ I am the only one who can free them from the enslavement of sin.
- ✝ Don't be afraid. It is I.
- ✝ Let Me work the miracle. Look the other way.
- ✝ Your trouble is that you look too much, and question too much.
- ✝ Sit beside Me, Joseph, and let Me know what's in your heart. I will create within you the correct heart.
- ✝ Don't listen to Satan. Satan is trying to make you think all you believe is fake. I'm REAL!!!
- ✝ Following Me will be the answer to your problems. Just listen.
- ✝ One plus one does not equal two. Let Me do the math in your life. You will see that it will all add up to a beautiful and healthy life.
- ✝ Strive for success, and learn from My Word what that success is.
- ✝ Don't ponder too much. You defeat yourself before you get started. You were a slave to that cross too long.
- ✝ I was always the key to your freedom, but you never looked to Me.
- ✝ I'm glad that you are reading and studying My Word.

- ✠ You will see that you were looking for someone to give you attention, someone to love you for what you are. Well, I'm that someone. Even when you have a wife and children, I will be that source of your freedom.
- ✠ Yes Joseph, you will have children. You'll make a fine father, for you have My teachings within you.
- ✠ Continue to build yourself up.
- ✠ Nothing is impossible for you with Me by your side. The incapability you have is all in your mind.
- ✠ Remember, you have the power and strength right in front of you. Use it for My purpose.
- ✠ Call all nations to the witness of God.
- ✠ Don't give in to sin. Fight it. It's ugly, and not for you.
- ✠ You are My child.
- ✠ I created you with an abundance of gifts.
- ✠ Do not defeat My purpose for your being with your self-doubt.
- ✠ You are your own person, and by that I mean that you are an individual creation in the kingdom of God.
- ✠ You are special to Me, and I know you personally.
- ✠ Let Me create in you what I want you to be.
- ✠ Do not compare yourself to others.
- ✠ Don't be afraid of suffering for My word.
- ✠ I will take care of you.
- ✠ Do not analyze My words. Understand what I am telling you.
- ✠ Don't give up on Me, for I never give up on you.
- ✠ Discuss Me and My Word with as many people as you can.
- ✠ Spread the message around.
- ✠ You have Me in your corner to fight.

- ✠ Remember, whatever you want, God is there to help you.
- ✠ Purification is the answer.
- ✠ It's time to straighten out your mind.
- ✠ You do not want to be weak. Fight the self-defeatist attitude.
- ✠ Relax.
- ✠ I am answering you. You have asked me to teach you, and I am. Take note of what I am saying to you.
- ✠ Relax. You have Me, what do you fear? Stop analyzing. You've suffered enough.
- ✠ Let Me build you.
- ✠ I can help you, if you only let Me.
- ✠ I have great plans for you.
- ✠ Follow Me.
- ✠ Trust Me.
- ✠ Hold My hand, and together we will make it.
- ✠ Do not destroy yourself, but build on the faith and instruction I have given you.
- ✠ I have laid the foundation. Put it to good use.
- ✠ Cleanse yourself fully, and stand clear of sin.
- ✠ Look to Me as your total source.
- ✠ Understand that you are a sinner, and by God's grace you are saved.
- ✠ Do not allow your mind to wander.
- ✠ Satan wants to lead you astray.
- ✠ Fight it.
- ✠ I will help you. Call upon Me.
- ✠ There is nothing you can't lick with Me beside you.

- ✠ Build upon what you have. You've been blessed. My power is within you. With Me, all things are possible.
- ✠ You have My wisdom. Use it! Study!
- ✠ Look not to the sins of others. Do not play God. I will handle them.
- ✠ Doubt is Satan. I am real.
- ✠ Build! I have given you the power to do it. It is right in front of you. You have the strength. Claim it!
- ✠ I want you to help others. Love!
- ✠ I am with you. Do not fear.
- ✠ I will help you, but only if you follow My Word.
- ✠ Continue to follow the principles that I've taught you and remember that Satan is continually on the road to get you and convict you as a follower of the dark and evil. He wants you for his own.
- ✠ Pursue the spark in the night.
- ✠ Dwelling on the past allows Satan to come into your life.
- ✠ I am your personal Savior.
- ✠ I died on the cross for your sins.
- ✠ Come to Me for help.
- ✠ Walk with Me.
- ✠ Make the most of your life.
- ✠ You've been blessed.
- ✠ Remember, you are living for Me.
- ✠ I will bless you with what you need.
- ✠ Do not play God.
- ✠ Dwell on My teachings, not on your life. When you do that, you stifle My message. It gets clouded by your own self-doubt.

- ✝ I am the Truth. Start with that basis.
- ✝ Put the questions to Me, and I will answer you.
- ✝ Lean NOT to your own understanding.
- ✝ Pick up the cross, and follow Me.
- ✝ Clean up your act.
- ✝ Get rid of the yeast in your life.
- ✝ You are a thinker. Put the thinking to good use. Build Me a kingdom.
- ✝ Strive for freedom and success.
- ✝ Let no man hinder your struggle.
- ✝ You can make it. I will show you how.
- ✝ You're a soldier of God.
- ✝ I've made you.
- ✝ If you are confused about something, throw it up to Jesus to help you feel and see it His way.
- ✝ Satan joys in making what is wrong, right and what is right, wrong. You must read the Bible everyday to reinforce the righteousness of Christ.
- ✝ Make love the apple of your eye and you will not fear.
- ✝ Keep Jesus number one.
- ✝ Don't look where you are. Let Me make you what I want you to be. Remember, Peter sank in the water when he looked at his own incapability.
- ✝ Give unto the Lord. I've given you what you need. Build on it.
- ✝ Don't analyze. Let Jesus work the miracle in your life.
- ✝ Don't open the wound. He has closed it. Jesus has wiped your slate clean.
- ✝ Build on the foundation.
- ✝ Clear the way for the truck to lay the cement.

- ✝ Give way to the Lord and His righteousness.
- ✝ This is what is meant to be born again. You must surrender to the Lord.
- ✝ God promised to help you. Let Him work. You live.
- ✝ Don't get hysterical when problems come into your existence. They are My way of strengthening you.
- ✝ Call Me for assistance, and I will be at your side to fight the battle with you.
- ✝ I will give you the power to succeed. Remember, I am your friend. Believe it.
- ✝ I will give you somebody, wait and see. But remember, this is not the answer to your problem. You need the strength that only I can provide.
- ✝ What are you afraid of?
- ✝ Do not look on the apparent strengths of others, for this is envy.
- ✝ Understand the strengths I have given you and develop these blessings for My glory.
- ✝ I have given you the wisdom. Teach.
- ✝ You have been blessed with unusual talents, and I have given you what you need to win. The blessings are there. Look for them. Tap into your potential.
- ✝ Pick up on what I have given you. You have the ability to be a great teacher, if you only would believe in yourself as a child of Christ.
- ✝ Release unto Me, and I will free you.
- ✝ You did too much thinking on the past. Let go! You'll only fall into My arms.
- ✝ Trust on the wholeness of your thoughts. This is My message to you.
- ✝ I want you to walk on the water with Me. What are you waiting for? Are you willing, or afraid? You've been called to be a witness for Me. Pick up the cross.
- ✝ Come hold My hand. Let's walk together.
- ✝ I am the way.
- ✝ Jesus is my best friend.
- ✝ He knows all that I am about.

- ✝ He understands all that I am made of – my strong points, and my weaknesses.
- ✝ He knows what I need, and what is in my heart, and puts me through the fire to cleanse me of all unrighteousness.
- ✝ He is always there with me, every place I go.
- ✝ He is always ready for me to call to Him for help.
- ✝ He is what I always needed, and I didn't even realize He was right in front of me all the time.
- ✝ Don't try to always figure out what your service is to Me. You are serving Me more than you can imagine, for at times it's enough just to be an example to others.
- ✝ Picture Me in Spirit, not only in words.
- ✝ See further than you can see.
- ✝ Believe more than you believe.
- ✝ The Lord will speak to you in the language that you are most familiar with.
- ✝ Start with the Truth as your basis, and measure your life against that standard. This should be your strategy for life.
- ✝ Use what talents you have. Look not to be an orator, but a teacher of men.
- ✝ Rise up on Me.
- ✝ Don't give Satan a chance to come into your life.
- ✝ Stay close to My Word and your purpose in Me.
- ✝ Throw your thoughts up to the Lord for a clear understanding.
- ✝ Do not try to do everything by yourself.
- ✝ Follow My Word each day to reinforce righteousness.
- ✝ Relax, and enjoy life with Me beside you at all times.
- ✝ You will succeed, because your success will come from the Spirit and not your mind.
- ✝ Don't rationalize sin. Rationalization implies pondering, and pondering allows Satan to rule.
- ✝ This is real, Joseph.

- ✝ Look away from sin.
- ✝ Don't make it your God. Remember, I can't fill up the pitcher of your soul if it is already filled up.
- ✝ Guard your tongue.
- ✝ Dwell on My readings, and on My teachings. Don't allow him in. Satan gives a candy coating on sin. Fight it.
- ✝ Don't try to change too many things at the same time. Take one step at a time, for your walk with me is a daily walk, and I want you forever.
- ✝ I will show you what to change, but don't try to change everything at one time. You will fail if you try this.
- ✝ Let Me help you, through the Spirit and the grace of Christ. Don't try to do it all yourself.
- ✝ Pray, and live.
- ✝ Let Me work the miracle through your life.
- ✝ Don't compare yourself to how you were before. I will make you different. Look over the clouds.
- ✝ Confess your sins and weaknesses to Me, and I will strengthen you.
- ✝ Let your mind be at ease with My thoughts.
- ✝ Rest on the word of God.
- ✝ Rest upon the purity of Christ.
- ✝ Righteousness will become instinct.
- ✝ You are looking to changes? Well, I have given you the understanding and direction to change.
- ✝ It will get harder as you struggle to purify yourself in My righteousness. Don't give up!
- ✝ Satan has candy coated all impurity. It looks so good to the non-believer, but you are a believer, Joseph.
- ✝ I chose you to be My son.
- ✝ Satan attempts to lead you astray, but I will win.

- ✝ Do not falter. Remain with Me.
- ✝ As I've learned through the reading of scripture the right way of living, I am no longer upset about certain things of life. As a result I now feel like there is a missing part of my being. When you take away the old fuel I had, I feel like there is nothing getting my motor moving. I'm now looking for the proper reason to act.
- ✝ It's great that things of this world are no longer bothering me, yet I want to learn what should be the fuel behind my actions. Why is it important to work? I thought all this time that the purpose of work was to earn a living and to exist. Gradually, after reading the scriptures, I know that this is not the way to go.
- ✝ Lord, give me a job that is meaningful. May I recognize what it is, and let me go for it. Help me not be afraid. Help me understand it and see the way to go.
- ✝ Joseph, there's more than you see. Satan conceals what is evident, and does not allow the average man to see what is evil. It's all deception, and it's fake. That's why it appears hopeless to you. It's not what I want you to do.
- ✝ And what do I want you to do? Besides bringing your talents and known possessions into the world, I want you to tremble. Shake. Dare. Do more than what's expected of you. The Truth will give you strength and will make you comfortable in what you do.
- ✝ Potential. It's what each of us is called to be. God has created each of us with it, and it's up to us to use it.
- ✝ Why are you here? Picture it how it was before the book of Genesis. No human being was here on earth. There was no earth. There was no darkness, because there was no such thing as darkness. All was blank, motionless and void.
- ✝ Consider that you are one of God's creations. You were not born by chance. You are a blessing. You are special in the eyes of God. You were given abilities. You were given principles and opportunities to make it. God determines the road by which you can make it. It's not for you to dictate, but rather it is for you to seek in prayer and act according to God's holy purpose alone.
- ✝ We are all called to glorify God. And this is more than going to church on Sunday. This is more than being nice to people; not that there is anything wrong with that, but there's the Gospel of Christ to consider and pursue. There's an understanding of what's real. There's an understanding of what's lacking in the lives of people.
- ✝ Some say to me, "I know what it is to be a Christian. I'm nice to people... I would never say a bad word..." But being a Christian is more than this. It's being able to love Christ. And the love I mean is the one hundred percent, wholehearted, non-hesitating love. It's the kind of love that holds back nothing, and trusts wholeheartedly. It's a giving relationship.

- ✝ We must give our wills to the Lord and let Him rule. He must be king over where we are going, for after all, we are here only for His holy purpose. And the direction of our lives is solely His. We are to carry out our purpose in His kingdom as His child.
- ✝ Sunrises don't do anything for me, but the purpose behind them is God glorifying.
- ✝ I am the reason why you're here, and not the other way around. It's foolish for anyone to think otherwise.
- ✝ Eternal purpose is what counts, not the other way around. What you work for while on this earth holds the key.
- ✝ Go for your purpose in the Lord. Seek what He wants of you, and work towards it. Your purpose is to glorify the Lord, and you are to do it in the way He has called you. Pursue the speech. Look further than the barriers and understand why you are to do so. Look beyond because Satan has set up these roadblocks to hinder you from reaching your goal.
- ✝ Positive thinking ministries are based on deception, for they fail to charge the criminal with the crime. Satan is the criminal, and seeks to destroy you and rob you of your potential in the kingdom.
- ✝ Positive thinking is based on candy. We all like sweets. Yes, there is nothing wrong with thinking positive thoughts, however, positive thinking is not God glorifying unless you have the understanding of the true battle. Your heart may temporarily be comforted while thinking positively, yet your heart is not geared up to the Lord. Recognize your potential in Him, and not just in the positive thoughts.
- ✝ Give credit where credit is due. Learn to recognize God's blessings and assign God the praise. Cease the weak praise, the "things just worked out" mentality. Things don't just "work out." God causes the blessings to prosper within you.
- ✝ Don't do more than you have to do, but above all remain true to My word, the Gospel. Go after the things I show you, and not after the things of this world. I created Heaven and Earth and everything around you. I give you what you need. I know what you need. You were not created for this earth, but for Me. If I tell you to come, then come. If I tell you to go, then go.
- ✝ Rest, and know that I am God. Seek the kingdom, for there you'll find what your purpose is in this life. Call your brothers to the light, and walk in it for your protection, and harmony. Roar like the lion, profess peace and understanding to all, and never let the sun die down on your anger. Above all, lead a life where no one can get to you. Be above reproach.
- ✝ Not by my own works and deeds am I protected. Yes, by following God am I protected.
- ✝ It is by the power of God that I am protected, and not as a direct result of the works I am doing. God is the author of mercy and protection.
- ✝ Don't deny the power of God.

- ✝ He will show you the way to go.
- ✝ Lord, make me stronger in my faith, and help me not to sway when others raise doubts. Help me to recognize the power of the Spirit as concrete, and that I am planted in it. I will not sway as the winds hit, and when they stop - and they will stop - I will remain standing.
- ✝ Don't do it on your own, or do it in the ways that you feel are right. Do it through the Lord's calling and instruction.
- ✝ Give to the Lord, and He will give to you. He will protect you.
- ✝ You'll know where to walk with My instruction, and where you wind up is where you will want to be.
- ✝ What drove me before has been diffused. There is no longer that same "something" which drove me to do the things I did before.
- ✝ Many things I did were out of fear of acceptance, and reacting like everyone else in this world has reacted. I guess I'm coming to the brink of My life where decisions will have to be made.
- ✝ My life around God has circumvented any past drives and desires I had. I'm becoming smarter and I'm beginning to understand how people react. Jesus has put the crow bar in and loosened the cement in the sidewalk. I can hear it breaking up. It's now loosened, and I can relax. It can happen, and I see it for myself.
- ✝ You see, I have healed you, so why do you go around cursing others and demanding them to give you answers? I've given you what miracles you asked for, now go further and pursue what I've asked you to do. Teach the world.
- ✝ It's a waste to let the field go un-harvested. You've planted the seeds in the earth to yield the crops, yet you do not harvest.
- ✝ Confess to Me, Joseph, and be truthful. I will help you.
- ✝ Where there is purity, there is strength.
- ✝ Allow your mind not to be stagnant. Don't give the devil any chance to take over.
- ✝ This is what I mean by seeking the kingdom of God. Put Me in front of you, and always reach for Me.
- ✝ Make My kingdom your goal, and not where you feel you should be. I will help you.
- ✝ Pick up on the qualities of your character that I have given you. You have a great personality, when it is not clouded by points of anger and impurity.
- ✝ Let Me control you.

- ✝ Do not look to sin as a source of your security, for there is no basis to that way of thinking.
- ✝ Remember, if you do not understand something, call Me for help.
- ✝ Do not try to create feelings on your own.
- ✝ We walk by faith, not by sight.
- ✝ Act according to the Word, not according to feelings.
- ✝ You are on the battlefield in life. Sin will be all around you. The sign of the true Christian is one who calls upon Me to help him through.
- ✝ Keep Me number one.
- ✝ Learn each day. There is a message each day from Me. The message is not for everyone to hear, for I have not chosen everyone, but the few.
- ✝ If you feel depressed, do not slump in your chair, and look at everybody with such anger and hatred. Rise above it.
- ✝ Get up and talk with people. Do not shy away from people, for when you do this, My power does not shine through you on others who need help. When you help others, you serve Me.
- ✝ Remember the one-way sign. You are on a bus. Let me take you where I want you to be, but first the bus must take you out of where you are. The road is treacherous. It is filled with peaks and valleys. It's full of curves, bumps, and rocky pavement. You will remember different things as I drive you along in life.
- ✝ Be sure to talk to Me, and let Me know what is on your mind.
- ✝ If you do not understand something, let Me know.
- ✝ If you do not know what to say, then thank Me for the many blessings that I have given you.
- ✝ Establish many goals in your life, with righteousness and the kingdom of Heaven as a part of each goal.
- ✝ Do not go where you think you should be. Let Me take you where I want you to be. Let Me choose the road.
- ✝ Don't predict problems. Life will not be the same with Me within you.
- ✝ Confess your weaknesses unto Me, and I will strengthen you. Don't give into them.
- ✝ You must push on. Let Me stretch your mind, Joseph. You don't know what capabilities I have in store for you.

- ✝ Let Me remove thoughts of nonsense from your mind.
- ✝ As you are gaining familiarity with My Word, you are able to overcome the negative thoughts, for you now understand their irrationality. I've given you that strength and ability.
- ✝ Do not use My thoughts as a way of getting attention, or of bragging. That was a big sin in your life, one that you never used to consider. Do not brag, but be humble.
- ✝ When we trust, we trust God for things that we do not see, for we have no need to trust in God for things we already see. This is what is meant by living for God.
- ✝ We understand that God is witness to all our sufferings, and all sufferings are thus to the glory of God.
- ✝ Remember, the easy way many times is the wrong way, until the right way becomes easier than the wrong way. I had to show you what was wrong in your life, Joseph, or else you would not change it.
- ✝ Give up doubt.
- ✝ Jesus did not say, "Trust in Me and worry." What would be the point of praying if we must still worry? Prayer defeats worry. Trust is the absence of worry.
- ✝ Don't assume you can't. Believe you can, and pray.
- ✝ Believe even if it seems impossible, for with faith you can move mountains.
- ✝ Do not allow negative expressions to enter into your speech. You are strong, not weak. When you say you are weak, you allow the devil in.
- ✝ When you pray, believe that you have been answered.
- ✝ Your healing process has begun when you pray. Believe that you are healed.
- ✝ Healing is not necessarily an instantaneous miracle. It's a working miracle.
- ✝ The healing I'll give you will be far better than the one that you are expecting, because I will be with you for eternity.
- ✝ Trust in Me. Release the uncertainties, fears and doubts.
- ✝ Don't analyze. The only analysis I want you to do is how you can be a better Christian and serve Me.
- ✝ Face it, Joseph, you have the truth. Use it.
- ✝ You asked Me to help you. Let Me.

- ✝ My world is a world of eternity.
- ✝ Your healing process began when you put your life in My hands.
- ✝ Practice what I have taught you. Take it slow, one step at a time.
- ✝ Loving is teaching, because through your actions you are teaching another about Me.
- ✝ I do not want you to discuss your sufferings with others. Don't give suffering a throne in your life.
- ✝ When you want to change your life, you allow Jesus to change you through His word. You change by adding the new, not by concentrating on getting rid of the old. The old will disappear when it is replaced by the new.
- ✝ I've decided to learn from other people's blessings, rather than envying them.
- ✝ When you remove the envy you can feel good about yourself, because you have freed yourself from the trap that many people get themselves into, and this is the trap of rebellion. They try to make themselves better than others because they are going after the wrong things in life.
- ✝ I haven't given you that dream, because I have chosen you to be an example that others can follow.
- ✝ Respect the qualities of other people, and thus praise God for His mighty blessings.
- ✝ I want you to be a leader of men.
- ✝ You can do it, because you have My power within you.
- ✝ Give your total being to Me.
- ✝ Let the Word glow within you, so much that it shines all over the world. Let the Spirit of love, joy and purity rule you.
- ✝ What you see will be changed without you even knowing it. You have the power within to do it. Claim it!
- ✝ Don't look for it. It will come to you.
- ✝ Always put what you want in My hands, and then live and seek My kingdom. This means to strive to be like Me, for true strength is to live like Me.
- ✝ This means to love people. And by this I mean to look into the person, and not at the outward appearance. This is the secret of feeling compassion for people, for when you look inward toward people you can gain understanding of their problems and make-up. Then you will be able to help them.

- ✠ Remember that you and I are friends. This of Me like this. Talk to Me more. If you can't think of anything to pray, simply say, "Holy Spirit, fill My mind with your presence" and I will help you pray. You must understand that I come to you as your Savior. You should not fear. Have faith.
- ✠ Life is a marathon, with numerous hurdles of various proportions. In order to win the race, a runner must jump the hurdles. Runners without Me have many clothes on their backs.
- ✠ What good are woolen sweaters and bulky flannel jackets in a race? The heaviness of the clothes causes the runners to sweat, and become tired. The heaviness of the clothes slows the runners up, and prevent them from jumping the hurdles.
- ✠ Continue to rip off the clothes on your back, and give them to Me. Give Me the woolen sweaters, and give Me the bulky flannel jackets.
- ✠ As you give Me one article of clothing, you will notice others underneath. Some you forgot you put on, while others you have no idea how they got on your body. Some will have many buttons, some a few buttons, and you may even discover a jacket or two with many snaps that require enormous strength to loosen.
- ✠ Don't panic. I will give you the strength to take off any article of clothing.
- ✠ Some clothing you put on due to past cold weather. Take them off. Give them to Me. The climate has changed.
- ✠ You are in the warmth of My protection and love.
- ✠ Don't stop to remember when you put on any article of clothing, for when you stop and analyze, you lose momentum and cannot jump the hurdles.
- ✠ In order to jump any hurdle, a runner must gain speed. The momentum I give you enables you to jump.
- ✠ You can't jump a hurdle if you are right on top of it. Take a few steps back and run.
- ✠ Don't stop and climb over the hurdle. Don't go around it, or under it. That's not the proper way to win the race.
- ✠ Keep running toward your goal.
- ✠ Make sure you establish the proper goal.
- ✠ Win the right race. It's the one with the biggest prize.
- ✠ In order to learn how to trust God, you have to trust God.
- ✠ Many people sell themselves for ways which are not in the realm of Christ.

- ✠ Hungers lurch in the minds of people, and as a result they sell a part of themselves to satisfy their appetites. What appetites are these - power, glory, success, greed, to name a few. They limit their appetites to ideals which are not favorably looked upon by Christ.
- ✠ Jesus does not want us to sell, but rather to give - give of ourselves to others in ways which will glorify the name of Christ.
- ✠ Christ gives us all the measure whereby we can grow and understand our full potential.
- ✠ With Christ behind us, true love is possible.
- ✠ When Christ asks us to be humble, He does not imply that we should lose our understanding of the blessings that God has given each one of us.
- ✠ You cannot begin to love another until you love yourself, for jealousy and envy are contrary to the power of love, and these two evil spirits will fight against love.
- ✠ Love of yourself is not by any means a narcissus complex, but rather a recognition of your potential and blessings as a child of God.
- ✠ We are all sinners, but we have the atoning sacrifice of the Lord Jesus Christ for the forgiveness of our sins.
- ✠ You've been given the chore to be a teacher. I've chosen you to represent My message in the world.
- ✠ Remember that your success will come from the Spirit which instills in you the Word of God.
- ✠ Look for the beauty in everything, for I live in the beauty of everything around you. Understand that I have created life.
- ✠ Understanding is the source of creation, for it unlocks mysteries and permits growth.
- ✠ Win people through the Holy Word of God.
- ✠ Be putty in My hands.
- ✠ Allow My presence to be evident with many.
- ✠ Realize that it is not My wish for you to be nervous and afraid, so begin to relax and look to serve Me.
- ✠ Being a server of the Father will not limit your life. Instead, it will enhance it, because you will be led on different roads that you never had the faith to drive on before.
- ✠ Remember that you are still not driving. When you first met Me, I told you that you are on My bus, and I am taking you where I want you to be. We left many areas which you were glad

we left, but the trip is still not complete. You still have to ride the bus to get where you want to be, for I know how to get there.

- ✝ Remember that I want to see you healthy in mind, body and spirit. This means to re-fuel on the Word each day. This also means to eat properly and rest, so you can be in A-one shape to serve Me.
- ✝ Look to the beauty of nature. Look to understand what gifts I have given each of My children.
- ✝ Do not compare yourself in any way with your brothers or sisters. Measure yourself against Me.
- ✝ Remember that I am always there no matter what you feel. Don't look for feelings as a sign of My presence. I am with you both in the good and bad feelings. Live by faith.
- ✝ Make love the apple of your eye, faith your motor, and My Word your fuel.
- ✝ Remain on My road.
- ✝ Understand that you have been blessed in the power of God.
- ✝ You will get your true heart's desire when you continue to seek God and His righteousness.
- ✝ Be strong. Remember that you are always My child, and you never are alone.
- ✝ Continue to realize your potential as My creation.
- ✝ Understand your abilities, and polish them up. They will shine so much that you will not see your incapability.
- ✝ Your incapability will vanish, for you are able to do all things in Christ who strengthens you.
- ✝ You fly in an airplane with a person you do not know, and yet you are afraid to trust your Heavenly Father.
- ✝ Look out the window. Do you see that road? I can see where your road leads. You can't. This is because I take a higher position than you do. See that road? The people driving on it do not know where it leads, but when you are above it, as we are, we can see the whole stretch. You know what crossroads will appear, where the curves are, the hills, the valleys, everything!
- ✝ Trust in Me, Joseph. I'm keeping you on the right track. Be happy, and let your happiness be evident. Yours is the kingdom. Be strong. I've won it for you.
- ✝ Things do burn, Joseph, but I cause the clouds to extinguish the flames. I am the Father Almighty, Maker of Heaven and Earth.

- ✠ How is your resume working for Me? What qualifications do you have? What is your objective? Examine your heart. You have all the qualifications to meet your objective, and that objective is the love of the Father.
- ✠ You are filled with the Holy Spirit.
- ✠ Arise, with your true potential.
- ✠ God inspired thoughts are the best. They're from Him! Rejoice, and sing Alleluia!
- ✠ The rivers offer drink for the thirsty. Come, drink from My river. The water is clean, pure and refreshing.
- ✠ Let your mind be the receptacle of My inner message, rather than a waste for humanity. Fill it with the good news of the Lord.
- ✠ Jesus is with you, right now! It's through faith! It is not by feeling happy or feeling sad. It's through faith. Satan continually tries to enter My children and tries to prevent them from having faith and therefore fullness of life.
- ✠ By rhyme or reason, I make it through, and by no power of my own I see myself wandering through the world of tomorrow. I'm asked to hold the hand of the one called Jesus, and told that together we can make it. It gives me a splendid feeling inside, and a joy that no human heart can hold, for I know where to go, and I know what I want. I want meaning, and I want understanding. This I've found for I now know the way.
- ✠ Keep My goals first, and reconcile yourself to the Father.
- ✠ My Spirit to you is a gift from God.
- ✠ Remember to always pay attention to the signs and wonders around yourself, and pursue your goals to the fullest with My watchful eye over you.
- ✠ Always possess power, but let it roll over the mountains of your mind, covering the storms and quieting the fields.
- ✠ Make your goals My goals. Understand what direction I want you to lead, and realize that I'm letting you experience your feelings now to let you know what to change and what to keep. Don't be afraid, little sheep. I know what to give you, and I understand your weakness as a human being. Call for My power, and arrest your weaknesses.
- ✠ My word is above all the fullest for your life, because it allows you to understand purpose and goals.
- ✠ Do not strive to meet the goals of this world, for you will not succeed in this light.
- ✠ Above all, keep yourself pure and dwell in the house of the Lord forever.

- ✝ Do nothing that kills off the joy in your system, for it is the mechanism by which I grow and manifest in the lives of others.
- ✝ Understand more than you see, and know the Spirit is within you to refresh the world.
- ✝ Be positive, and kill lust with love.
- ✝ Repent!
- ✝ Understand Me, and know that I want to help you. For you know I can, Joseph, and My Spirit is willing to enter you.
- ✝ My ways are the best, and it's up to you to fill time in a bottle and drink it.
- ✝ My Spirit is willing to enter you. Make the most of your life, Joseph, and make peace in it. For you know how positive I am, and you know My Spirit is here to hear you and receive you.
- ✝ Yield to Me, and I will answer you.
- ✝ Understand fear, and reconcile it in ways unseen to men.
- ✝ Revere the Father.
- ✝ Welcome Me as your keeper of peace, as the Giver of all understanding.
- ✝ I am here, and so are you. We see peace together, for we are one. Anyone who differs is not one with Me.
- ✝ Mountains can't be mountains without stone, and I am the stone for you.
- ✝ I am the one you want. The rest of life is senseless without Me. Know it, and understand it.
- ✝ My desires are not of the world.
- ✝ Simplicity in the heart is worth all the money on earth.
- ✝ Believe what you see.
- ✝ Profess peace, in a world made to kill.
- ✝ Profess happiness, and know you are happy.
- ✝ I want you to understand, Joseph, that you are a different person. You have a lot of love in you, and this is a blessing. Do not be afraid of it.
- ✝ You do too much thinking and worrying. The love you have in you is good. Build it up more and more.

- ✠ Imitate Me, and not others. Get the other thoughts off your mind and give them to Me. We will work on it together, but I want your total trust.
- ✠ Don't try to figure out how I will help you, for this is doubt, and doubt is sin. Just believe that I am helping you right now!
- ✠ Build up what is of God, and strike down the whims of Satan.
- ✠ Abide in truth, as it is the way to cure falsity.
- ✠ I am the chooser, you are the follower.
- ✠ You have the power within yourself to unlock miracles and see the mystery of life unfold.
- ✠ For I will teach you more than your heart will know. Stay with Me, and grow!!
- ✠ Do more than what's expected of you, and see My power in the Word of God. For I alone know what really troubles you, and I can see in you and unlock those mysteries.
- ✠ But give yourself to Me. Get your priorities in order.
- ✠ Learn from the best.
- ✠ Seek the kingdom.
- ✠ Be clean.
- ✠ Honor Me as your Savior and Lord.
- ✠ Remember that your first priority is the kingdom of God and its righteousness.
- ✠ I know what you need.
- ✠ Do not let your heart get discouraged.
- ✠ Do it on the power of faith.
- ✠ Give Me more attention than your speech. You will win at it.
- ✠ Give Me your heart.
- ✠ Go now, and continue to allow your spirit to reign and shine as an example of the strength I give to those who seek My message.
- ✠ I know that you have suffered, Joseph. Know that I'm here right now to open the wings to you.

- ✠ Above all, give Me a place in your mind, and this can be achieved by an act of your will. I will unlock all that life has to offer.
- ✠ You should know that God loves you, and this can be achieved by an act of your will. I will unlock all that life has to offer.
- ✠ You should know that God loves you, and that Jesus was sent by God to unite you with Him in paradise. You see, Jesus can forgive your sins, and grant you salvation. In addition, Jesus' Word can enrich your life by showing you value and self worth.
- ✠ Now is a time in your life where you may be confused, and may be shattered over which way to go with your life.
- ✠ I can be your answer, because I can free you from the chains of disappointment. Call Me, and I will help you. Invite Me into your life, and I will live day by day in your mind and heart. I will send the Holy Spirit to guide you to freedom.
- ✠ Know the trouble I have shown you, and seek to resolve in men all that I've shown you.
- ✠ I give you a ministry of wonder for the future. New sparks of wonder will fill the air, for when I return I will take you with Me.
- ✠ I will guide you on your journey, Joseph, for I see what you have to offer to the world.
- ✠ I promise you a tremendous recovery of your speech, one you can't even imagine yet. All it takes is a stronghold and testimony of the faith I've given you.
- ✠ I know what you want, and what you want is good.
- ✠ Forgive others, and I will forgive you. Reconcile your thoughts to the Lord for growth and prosperity.
- ✠ Ask with a heart that is pure and clean, and believe that He will answer.
- ✠ Look forward beyond the fear, and it will become apparent. Do not look at the circumstances. Look to seeing yourself win. Anything is possible with God beside you.
- ✠ Believe that there exists a Spiritual warfare.
- ✠ Stand true and firm on the Word of God. Let the Spirit guide you and control you.
- ✠ Love someone even if you do not feel like doing it. I will reward you.
- ✠ By My grace you'll make it.
- ✠ Let people see what their sin is so they can come to understand My power.

- ✝ God has the ability to work wonders. Take part of what is of God. You have the opportunity now. Act by faith.
- ✝ Do not be afraid, Joseph, for the tongue I will give you will be golden, and will pierce the wicked of their might.
- ✝ Give Me the fearful things you are encountering.
- ✝ Seek the kingdom, and seek its principles. Truly believe in what I have said, and ignore your feelings. Let your guidance be on the Word of the Father, and not on what you dream up in your mind. My instructions are for everyone to hear, for it's their guide to happiness.
- ✝ Help me to sincerely want to follow the Lord.
- ✝ My job gets in the way of helping me serve Him. Deadlines press, and I am always nasty and impatient with others. I confess this sin to you, oh Lord, and ask for your forgiveness.
- ✝ Help me to repent, and to understand what I must do to conquer the other sins in me.
- ✝ I confess that I am rebellious and that I do not want to do your will in the natural.
- ✝ Help me to stay true to the Word and to understand it.
- ✝ Don't be selfish. Don't live to make a good impression on others. Be humble, thinking of others as better than yourself.
- ✝ Temptation will come. Sin is when you hold back from doing that of the Father.
- ✝ Understand the trick that the devil uses. His greatest threat is doubt.
- ✝ At times in past years I was unaware of the existence of God. All I felt was this anxiety and doom. Recognize the tricks of the devil's trade!
- ✝ I know today what happened to me. I was beginning to become upset with feeling bad about myself.
- ✝ Be happy in the Lord, for He has given you things that not everyone has.
- ✝ Seek within yourself. Go for the blessings you have.
- ✝ Don't look to discount what you don't have. Accentuate what you have. I know that you have abilities. Search within yourself. They are there. Believe.
- ✝ It is something that others see within you. It is what makes your motor spin, and what gets you going. It's from the Power above.
- ✝ I know that I've been blessed, and that I should not look at what others have that I don't have. Look to God as the bearer of all gifts, and praise Him for the blessings in others.

- ✠ Heal the disease of My soul, which is the rejection of your Word.
- ✠ I am alive within you.
- ✠ The Lord has provided me with all that I need. He carried me away from my problems and set my feet on a solid path of concrete with support that is unmeasured.
- ✠ He provides for all my needs. He gives me answers and direction, for he loves me.
- ✠ Provide others with the Gospel that I have shown you and do not be afraid to talk.
- ✠ The devil gets your attention with fear and attempts to get you to focus on things that you can't do. I shine the light on what you can do, and ask that you walk with me.
- ✠ Don't worry or be concerned with problems that you experience as I command you to walk on. This is a trick of the devil to get you off the path.
- ✠ You have to realize that the devil is trying with all his strength to get you to fall. He wants you to run in terror, and appears to you like a monster who is always screaming in your ear with fear thoughts.
- ✠ Walk into the fire, and remember that with me you can make it through the storm.
- ✠ Walk into the kingdom, and shine your light for all men to see.
- ✠ Your power to move on will reside in your attachment to me.
- ✠ Be flexible in My hands, and allow Me to support your ways.
- ✠ Lord, be the breath for which I breathe. I do not want to walk out of your ways, but I recognize the flesh that is within me.
- ✠ I know that all strength is of the Lord, and the devil is the source of all weakness, failure and terror.
- ✠ Get out the gospel to all around you, and see what I will do in your life.
- ✠ You've allowed the devil to manipulate your mind. Don't give him room to enter in. Fight the good faith.
- ✠ I feel like I have gifts that no one can see, and I'm just one of the bunch in the workplace. I feel like I don't have anything to strive for at work to get my motor working and my enthusiasm up.
- ✠ What abilities do I have? I'm unhappy with work, yet I don't know where to go. I have the picture in my mind that I can't talk, just like the other pictures in my mind. Why can't I fight this one like I fought the others?

- ✠ Do not be angry about things you see or of the protective spirit I have given you. I gave you these things because I felt you need them. I will show you which things to get rid of and what control you need to relinquish to me.
- ✠ Overall, I expect more of you than your fellow men, because I've shown you more of what is right.
- ✠ Ask Me for further help, and let Me abound and abide in you.
- ✠ Conquer the respect you demand from others, and don't let anything further become a god.
- ✠ I taught you to walk and conquer.
- ✠ How does the gospel fit into the struggle I'm going through?
- ✠ I don't believe I should stay in a job where it is unhealthy. And I believe that where I am is unhealthy.
- ✠ Do not get invoiced in discussions which aren't God glorifying. You have no place in that discussion, for it is not where I want you to be. A discussion of weaknesses in other people is not God glorifying because you are not loving your brother in this instance. When you participate in these discussions, you become one of the rebellious, and they will have no place in My kingdom.
- ✠ The work ethic - too much focus on work; non-stop, constant pressure and anxiety - is this all worth it? Is this what I should be doing? Did God create the world with all this pressure? Is this worth it?
- ✠ If I leave here, where do I go? What do I do? I must go out, but where do I go?
- ✠ There's something wrong with the way I react. Lord, help me to understand which way to go, and what to do. Is this the way it should be, and if not, how do I make it in this world? What do I do?
- ✠ My heart is not in this world.
- ✠ I don't have the desire to go to another business for a job. My heart is in the Lord, and I want to do something for Him.
- ✠ Lord, help me to see Thy will. Help me to see Your will, understand it and do it.
- ✠ Lord, keep me safe and healthy.
- ✠ Help me to understand the sin in my life, for sin is what we should flee.
- ✠ What is the most important thing in your life? Keep Him number one.

- ✝ I want to be the best and only source of your life. Confess your sin, repent and I will free you from your bondage. Come to Jesus!
- ✝ Do more than you have to, and remain true to My word, the Gospel. Go after the things I show you, and not after the things of this world. I created the heaven and earth and everything around you. I give you what you need. I know what you need.
- ✝ You were not created for this earth, but for Me. If I tell you to come, come. If I tell you to go, go.
- ✝ Rest, and know that I am God.
- ✝ Potential is the key to go after, for there you'll find what your purpose is in this life. Call your brothers to the Light, and walk in it for your protection and harmony. Roar like the lion, profess peace and understanding to all, and never let the sun die down on your anger.
- ✝ Above all, lead a life where no one can get to you. Be above reproach.
- ✝ There is not always an exact time on hand to do things, for God chooses the moment to execute His plan.
- ✝ We were made for eternity. What does this mean?
- ✝ God does not live and work by the moment. Don't limit your scope to the present. God works for eternity, and His focus is on the eternal.
- ✝ Eternity. If the world is passing away, then we should go for the things that will last.
- ✝ Choose what you do in this world to gain gifts that never end.
- ✝ Look at yourself as a person working in eternity. Look at it from no beginning and no end, for it continues on, and never stops. Your work here is to be measured against the eternal, i.e. your service to Me.
- ✝ This is what's wrong with the world. People live for the moment. I live for eternity. My kingdom is never ending. My kingdom is forever.
