Please provide our office with the following information **no later than Tuesday, October 10, 2023** for the past quarter (7/1/23 – 9/30/23) so that we can file your IRS and state payroll tax returns on your behalf with sufficient time:

- 1.) Names of Individuals who received payroll payments
- 2.) Gross Payroll for each individual by date and a summary of any tax withholdings that were made on behalf of any employees
- 3.) Deposits and/or credits that were made to date to file Federal 941 and/or any state payroll reporting
- 4.) Your bank routing number and account number so that the payroll tax can be debited from your account and paid electronically
